

Document shredders DAHLE BaseCLASS 40230

Deskside document shredders: performance and convenience directly at the desk

Entry width 240 mm

Waste collection volume 40 litres

Wattage 350 watts

Convenient swivel casters with brake for reliably keeping the document shredder firmly in place

Carries the GS Intertek test mark

- Intelligent document shredder for desk-side use
- Clearly designed, user-friendly control panel
- Electronic start-stop function
- Convenient automatic reverse function
- Convenient feed and reverse function
- Automatic motor cut-out
- Integrated oil tank for automatically oiling the cutters in model 40231
- Energy-saving sleep mode after 10 minutes at idle and automatic shut-down after 30 minutes
- High-quality solid-steel cutters
- Powerful motor
- Extremely quiet operation
- High-quality wooden cabinet
- Wide-opening doors
- Convenient swivel casters
- Separate main switch
- IEC power connector
- 5-year warranty on the cutters of models providing P-6 and P-7 security
- Dimensions (H x W x D): 705 x 430 x 350 mm

Energy-saving sleep mode after 10 minutes at idle and automatic shut-down after 30 minutes

Extremely quiet operation for a particularly pleasant working atmosphere

Integrated oil tank for controlled, automatic lubrication of the cross-cut cutters helps to lengthen service life while keeping performance

Document shredders DAHLE BaseCLASS 40230

Standardised entry widths take all common paper sizes

Separate main switch is located on the rear of the document shredder and completely disconnects it from the mains power supply

Detachable IEC power plug makes the document shredder quick and easy to move from A to B

Convenient swivel casters providing 5 cm floor clearance for greater mobility and two brakes for reliably keeping the shredder firmly in place at the point of use

Environmentally friendly oil is always easy to access, included with all cross-cut models

Pull-out rounded top frame that's kind on the fingers when changing the waste bag

Wide opening door to easily empty the waste bag

Modern design blends into any working environment.

Integrated oil tank for controlled, automatic lubrication of the cross-cut cutters helps to lengthen service life while keeping performance constant

Document shredders DAHLE BaseCLASS 40230

Clearly labelled performance characteristics on the top of the shredder help to ensure correct document shredder operation

Clearly designed, user-friendly control panel permits easy, self-explanatory operation with illuminated symbols and acoustic signals

High-quality, solid-steel cutters in special steel for a guaranteed long service life

P-6 security: recommended for data media containing secret data demanding exceptionally stringent security measures
